

Friday 3rd February 2023

Dear Parents/Carers of Year 6 students.

To enrol your child in Year 7 for 2024, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7.

The EOI process will be **available online 6 March to the 24 March** through our school website. After you submit an EOI and it has been assessed, your child will be offered a place at a high school. Any late submission must go directly to the high school.

If your child will not be attending a NSW Government high school next year, please let us know by completing a Placement Not Required form online through our school website.

If you are unsure whether they will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask that you still complete an EOI online and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the process as smooth as possible.

For parents/carers who are not able to complete an application online, please contact the school office.
